Age UK - Big Knit

Once again, Age UK are asking people to knit little hats for innocent smoothie bottles and help raise money to support older people. Each hat raises 25p! To register and get different patterns go to - <https://www.ageuk.org.uk/get-involved/fundraise/the-big-knit/>
Or just search the Age UK website.

Re-opening

The standing committee has decided that IF the virus is still retreating and it is safe enough to do so, we should re-open church in time for Easter. We are thinking of a Maundy Thursday evening communion, Good Friday family event and a separate meditative service, and then Easter Dawn Communion, and later Family Communion (possibly outdoors with singing!). It would be lovely, but lets wait and see. These would be online as well, for those not able to come.

Children's Society

If anyone has any Children's Society boxes at home that have not yet been opened due to Covid, could you let Debbie know via email Debbie.emsen@gmail.com or by phone 07792 004312. If anyone would like a new one please could they also let me know and I will deliver one.

Date of APCM

This important meeting is when we look at the year's accounts, appoint churchwardens, and as charity trustees talk about what we do. Last year we were given dispensation to hold it later in the year, and online, this year its going back to its regular spring time slot. It will be on **Sun 18th April**, as part of our 10:30am service. You will be able to take part online, and depending on restrictions in church as well. We will send the report and accounts out to you in good time so you have a chance to read and submit any comments or questions beforehand.
