

St James' News for April 11th

Christ is Risen! Allelulia!
He is Risen Indeed! Allelulia!

Sunday's Collect:

Risen Christ,
for whom no door is locked, no entrance barred:
open the doors of our hearts,
that we may seek the good of others
and walk the joyful road of sacrifice and peace,
to the praise of God the Father.

Prince Phillip - 10th June 1921 - 9th April 2021

Our flag will fly at half mast until the day after the funeral, which will be at 3pm on Sat 17th April. We will be tolling the bell beforehand. Because of covid, all condolence books are online - and there is a link on our church website.

This Week

tackle climate change. It's a crucial meeting for implementing and monitoring progress on the groundbreaking Paris Agreement, signed in 2015. As part of the church's mission, we need to make it clear that the time to act decisively on this issue is right now. USPG are running a programme designed to help churches take manageable and appropriate action themselves and to build constructive relationships for climate action. If you would like to be one of the co-ordinators for St James, and take part in this, then please let Christine Hensel know before April 18th.

Church Working Party - May 8th

The scaffolding is up! This is to enable us to paint the window bars and do repairs to the bellcote. After this the new path should be laid, making it even easier for wheelchairs and frames to get to the porch. As we prepare to open up for regular services and worship, it is time to give the church a spring clean. It would be great if you are able join us, on May 8th, please put the date in your diary!

USPG Plant Sale

We are hoping to hold a plant sale in late May, subject to restrictions being lifted sufficiently. But if gardeners could pot on any spare plants for us we would be grateful. Details of date etc to follow!
